

A WORD FROM CHARLIE

Our family keeps growing! We managed to get an impromptu photo at Christmas that included our newest granddaughter born in November. *What a great joy!*

I will use our growing family as a metaphor for what God is doing through GraceLife and, I believe, the world. I recently spoke at a conference where I met people who told me they are listening to our Simply by Grace podcast and people who are sharing my *Simply by Grace* and *Fishing for Life* books to win people to Christ. We just ordered a new printing of our gospel booklet and a new booklet on how to share the gospel (see inside).

And GraceLife's presence is growing around the world. I have five international trips this year and we're sending a GraceLife Institute team to Ghana. New Zealand will be a new country for me in June. New translations of my books in German and Telugu (India) have been completed. Our Simply by Grace podcast can and is heard around the world. As usual, there is more to tell, but space is limited here.

God is doing great things as the world's clock ticks towards its final midnight. I'm thrilled that GraceLife is a part of God's great work in mankind's last hour. The family of God is growing as the message of His love and grace is shared, heard, and appropriated to change lives. Praise the Lord!

Until all hear,

Charlie Bing

What you will look like in 40 years.

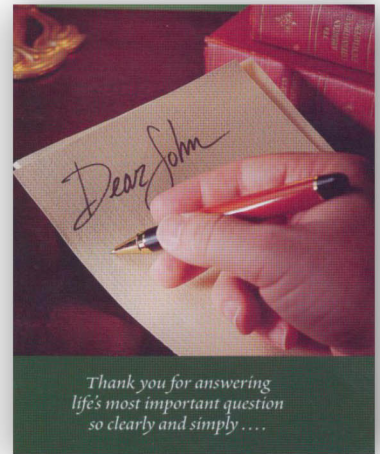

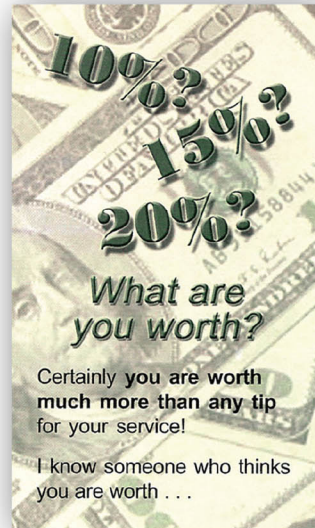

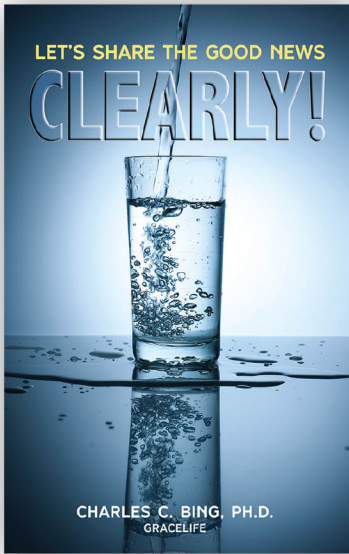

But the Resurrection!: "The first man was of the earth, made of dust; the second Man is the Lord from heaven...And as we have borne the image of the man of dust, we shall also bear the image of the heavenly Man." 1 Corinthians 15:47, 49
