

A WORD FROM CHARLIE

I happen to write these words on my 69th birthday. Life is a blessing, isn't it? And there's nothing like living the exciting life that the Lord has for those who know His Son, Jesus Christ. In Romans 6:4 we read, "...just as Christ was raised from the dead by the glory of the Father, even so we also should walk in newness of life." It is a new and exciting life.

I believe that to live life to the fullest, a person must remember that a part of life is death. It is not morbid to face our mortality. On the contrary, many agree that it makes for a happier life.

When you read this, I will likely be in New Zealand teaching Bible conferences. I can't imagine how I would have visited this beautiful country were it not for the life and ministry the Lord has given me. Later in the summer, I head back to Africa for a second time this year. Africa always blesses me as I watch God blessings Africa. On that note, I might mention that Kregel Publications has kindly allowed us to print *Simply by Grace* in English in Africa. It is expensive and difficult to carry these books from the USA to there.

I am grateful to God for how he has given me these ministry opportunities and how I continue to hear about lives that are changed by the gospel of grace. I appreciate your prayers and support as God continues to amaze with new opportunities for spreading His gospel. I also know that God is doing wonderful things in your life. If you don't feel like it, then I pray that you have eyes to see His blessings and give Him thanks.

Until all hear,

Charlie Bing
