

A WORD FROM CHARLIE

I'm not a gambler. I go with the "safe bets," and my money is on the prophet Isaiah this Christmas. He got it right about Jesus being born of a virgin (Isa. 7:13), about Jesus being our sin-bearer and the one who justifies us before God (Isa. 53:1-11), and there's this from chapter 9:6-7:

For unto us a Child is born, unto us a Son is given;
And the government will be upon His shoulder.
And His name will be called Wonderful, Counselor, Mighty God,
Everlasting Father, Prince of Peace.
Of the increase of His government and peace there will be no end,
Upon the throne of David and over His kingdom,
To order it and establish it with judgment and justice from that
Come forward, even forever.
The zeal of the LORD of hosts will perform this.

Did you get that? The Christ Child will rule as our King and bring a government of peace and justice. No other king, no president, no political party, and no social movement has ever and will never accomplish this. Only Jesus.

Christmas is a hard time for many people around the world suffering in the cold (or heat) through wars, food shortages, dictatorial injustices, disease, and personal crises like a death in the family, a divorce, a loved one in substance abuse, mental illness, and I could go on. But take heart--there will be peace on earth one day, a peace that is available right now in your heart by knowing Jesus Christ as Savior.

So, let's look to Him as Savior and kneel before Him as Lord as we continue to spread the good news of God's love and grace that brings peace to a troubled world and troubled hearts.

Just as Isaiah predicted Jesus' first coming, so also his predictions about Jesus' second coming to rule as King will be fulfilled. You can bet on that!

Until all hear,
Charlie Bing

Encouraging Words

From a recent email:

Dr. Bing I just wanted to thank you for all of your teaching on Biblical grace and soteriology. You are so straight forward and down to earth. I've attended a lot of churches that taught Calvinism or works-based salvation messages and it caused me a lot of anxiety. I was saved in a Grace preaching Church that taught faith alone in Christ alone. But after that I went to a lot of different churches. Preachers and teachers like you and Andy Woods and Yankee Arnold as well as many others have really helped me see the truth in the gospel message. Thank you, Charlie!
