

A WORD FROM CHARLIE

The two most important days in your life are the day you are born and the day you find out why. In light of my recent birthday, those words, usually attributed to Mark Twain, truly register with me.

As a chld, I floated blissfully through life until my teenage years when I began to question the purpose of my life. The premature death of a teenage friend made me aware of the uncertainty of life itself. Long story short: It all came together for me when I came to know Jesus Christ as my Savior at age nineteen.

Then my purpose in life became clear, defined by Jesus Christ Himself in two great commandments: Love God and others with all my heart (Matthew 22:37-39), and make disciples of Christ around the world (Matthew 28:18-20). I learned that once you know the why, the how will work itself out. For me the how was a commitment to pursue a Bible education, and minister as a pastor and now through GraceLife Ministries.

As I reflect on my fifty-plus years as a Christian, I am greatly humbled that God has allowed me to share His gospel of grace in person across the USA and in over twenty other countries. I'm humbled that our literature, website, YouTube, podcast, and social media ministry has reached into literally every country in the world. I am humbled and privileged to partner with amazing Christ-loving people all over the world, including you if you are reading this.

I realize God doesn't guarantee any one of us another day of life. But as long as He allows, I will continue to live out His purpose through His blessings of provision, protection, and power. I'm happy to take this journey with you. Thank you for your prayers and support as together we live out God's purpose for our lives.

Until all hear,

Charlie Bing

Encouraging Words

On March 21, Faith Church brought in Dr. Charlie Bing to be our speaker at our Sportsmen's Banquet. Even though he is not a professional hunter, we were captivated by all his hunting stories and pictures from around the globe. We had about 90 people who came and of them, seven people responded to the clear gospel presentation and put their faith in Jesus as their Savior that evening. Charlie hung around afterwards and had some meaningful conversations with people. We were very grateful to have him with us.
